TESTIFIED: (page 243)

He made transcript of Mrs. Hall's statement of
September 23, 1922.

Subsequently Simpson endeavored to put but part of the
statement in the record.

Read a portion following it with the erroneous state-
ment that "this was on Friday before the bodies were found".

Mr. McCarter then read Mrs. Hall's entire statement
of September 23, 1922 which appears in the record pages 249 to 253.
